

EXHIBIT A

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
Richmond Division**

UNITED STATES OF AMERICA,

Plaintiff,

v.

JEAN CUNNINGHAM, et al.,

Defendants.

Case No. 3:08CV709

DECLARATION OF SHIRA HOFFMAN

1. My name is Shira Hoffman. I am a Paralegal Specialist in the Voting Section, Civil Rights Division, United States Department of Justice. I live in Washington, D.C. I make this declaration under 28 U.S.C. § 1746.

2. On November 13, 2008, our office received a set of data provided by the Defendants and derived from the Virginia Elections and Registration Information System ("VERIS"), a database administered by the Virginia State Board of Elections ("SBE"). This data included the names of absentee voters in Virginia and noted whether such voters were UOCAVA voters, the dates on which their absentee ballot applications were processed by localities, and the dates on which the mailing labels for their absentee ballots were printed ("print date"). According to the SBE, the print date is the earliest date on which a ballot could have been sent.

3. The data referred to in Paragraph 2 were attached as Exhibit F to the United States Memorandum in Support of Motion for Temporary Restraining Order and Preliminary Injunction filed with this Court. That exhibit is incorporated here by reference.

4. The November 13, 2008 VERIS data showed that 279 ballots requested by UOCAVA voters were mailed on October 21, 2008 or later – 14 days or less prior to the November 4, 2008 general federal election. I reached this number by sorting the data to show only voters designated as UOCAVA voters who requested their ballots by October 5, 2008, and whose ballot print dates were October 21, 2008 or later. I then counted each voter who, according to the database, met that criteria.

5. The United States received updated data from the SBE on March 6, 2009. According to that data set, an absentee ballot was mailed to Carl R. Conti on October 8, 2009. See Attachment A to this declaration.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Shira Hoffman

Dated: September 18, 2009
